

# Welcome to the (Jewish) Jared Kushner Presidency!

The Youngest President of the United States, ever, is now in office. His name is Jared Kushner, he is Jewish, he is Trump's son-in-law (married to Ivanka), he is Trump's most "trusted" advisor, and HE IS TAKING TRUMP DOWN!

Trump has broken 80 promises in his first 100 days in office: Here are just a few of the promises he has broken: almost **one-a-day!** But these broken promises are NOT like vitamins that make America stronger, they are like poisons that are eating away at everything Americans hold dear, including Freedom!

## **Trump, the candidate:**

Drain the Swamp  
Make America Great Again  
Get along with Russia  
Get along with Assad in Syria  
Get along with North Korea  
Endorsed Wikileaks  
Get U.S. out of NATO  
Destroy ISIS  
Build the wall  
Expose the Hoax of "Global Warming"

What Trump has REALLY done:

## **Trump, the President**

"Drained the Swamp" right into his administration  
Make Israel Great Again  
Threatening war against Russia  
Threatening war against Assad in Syria  
Threatening war against North Korea  
Endorses arrest of Julian Assange of Wikileaks  
U.S. working WITH NATO  
Attacking Assad right alongside ISIS and Israel  
No Wall has been built, or even started.  
Embraces the idea of "Global Warming"

## **"Kushner Coup" Inside Trump White House**

## **Zionism is the Curse of Jewry**

(Jew) Henry Klein (1879-1955) stated that “Zionism is a political program for the conquest of the world.” When Donald Trump bombed Syria on April 6, 2017, he signaled his loyalty to Zionist expansion. There was NO viable evidence that Assad had used chemical weapons against his own people, in fact, the evidence shows that it was Israel who used chemical weapons in Syria.

Trump has now become the puppet of the billionaire Jews, including Jew George Soros who has extended a multi-million dollar credit line to Jared Kushner for his new business venture, and to Jew Rupert Murdoch who reportedly calls Trump on the phone weekly so they can “plot strategy.”

Kushner, Trump’s Jewish son-in-law, has been a life-long democrat globalist, and is the son of Charles Kushner, and ex-con who has done prison time for tax evasion, witness tampering, and illegal campaign contributions.

Steve Bannon, a nationalist non-Jew, has been a long time confidante to Donald Trump, but recently has been over-shadowed by Jared Kushner’s family ties to the President. The Feud between the two has been constant since Trump took office.

The feud between Jared Kushner and Bannon is not the first personality conflict Kushner has had with members of the Trump team. The first demonstration of Kushner’s powerful influence over Trump was evidenced in his firing of Trump transition team chairman New Jersey Governor Chris Christie and his loyalists, who included former U.S. Representative Mike Rogers and Matthew Freedman. For Kushner, the firings were an ultimate payback or Christie who, while the U.S. Attorney for Northern New Jersey, successfully prosecuted Kushner’s father and sent him to prison.

The Kushners, both father and son, appear to have strong ties to the Israeli Mossad, and a strong connection to the Chabad Lubavitch, an extremely radical Jewish organization that espouses dogmatic end-time prophecies that are overwhelmingly favorable to the Jews.

It is also the “Lubavitchers” who were responsible for four Congressmen secretly passing “by unanimous consent” (no less) – with no other Congressmen present – the law making it legal for the U.S. government to kill Christians, for the “crime” of worshiping Jesus Christ, a situation the Jews define as “idolatry” – a crime worthy of death by guillotine! It was passed by voice vote on March 5, 1991, with almost NO ONE there and NO RECORD made of their names or how they voted. Two days later, on March 7, 1991, the U.S. Senate passed the Resolution by

voice vote, also with no recorded vote. On March 20, 1991, it was signed by President George H. W. Bush and became Public Law 102-14.

### **Are the Neoconservatives really “Conservative”?**

No, the term “Neoconservative” is just a ruse – just another name for a group of Communist Jews - to make the American public THINK they are “conservative.” The Jews control the “left” and the Jews control the “right.” Both sides agree on the ultimate goal: the subjugation of America and the rest of the world to global control by the Jews. Only the methods employed to reach that goal are matters of contention for the two sides. This divide began with Trotsky Versus Stalin; Zionism Versus Nationalism.

This was nothing more than a way for the Jews to take over the Republican party without being identified as Jews.

And most journalists oblige them by ALWAYS referring to them as either “neoconservatives” or “Zionists” - - - but virtually NEVER as JEWS!

The American people don’t understand that:

Bill Gates is a Jew  
Nancy Pelosi is a Jew  
Charles Schumer is a Jew  
Barack Obama is a Jew  
Franklin Delano Roosevelt was a Jew  
Hillary Clinton is a Jew  
Bill Clinton, is most probably, a Jew  
Former President Lyndon Johnson was a Jew  
The Rockefeller family is Jewish’  
George Soros is a Jew  
Rupert Murdoch is a Jew  
Sheldon Adelson is a Jew  
Bernie Sanders is a Jew  
Elena Kagan, Supreme Court Judge, is a Jew  
Stephen Breyer, Supreme Court Judge, is a Jew  
Ruth Bader Ginsburg, Supreme Court Judge, is a Jew

There are NO Gentile, Protestant Christians on the Supreme Court. Only Jews and Catholics (and the Catholic church is run from behind by Jews!)

### **Ruling the World**

Both groups, the Jewish Neocon (supposedly) Republicans, and the Jewish-controlled Democrats, believe that Jews have the right to rule the world, and destroy all Gentiles. It is well documented in “The Protocols of the Elders of Zion” an extensive document, the goals of which are being fulfilled right before our eyes – in OUR era.

Irrespective of the wailing of the Jews that this document is a forgery, its truth is exhibited by everything that is taking place in our lifetime.

### **Soros’ Inside Man**

The Right should have known that Jared Kushner was the Democrat’s inside man planted within Team Trump. After all, Kushner and his brother Joshua received a \$250 million investment from the Godfather of Communism himself – George Soros.

### **Welcome to the Kushner presidency!**

Everything has changed.

With such an egregious and indisputable war crime committed by Trump against Syria hanging over his head for the next 4 years, or however long it is until his enemies impeach him, Trump is finished. He killed his presidency with one fatal blunder and exceedingly reckless mistake.

No matter what Trump does from this point forward, he has proven himself to be a liar who cannot be trusted, and a traitor to America, and all those Americans who elected him. Trump’s blind rush to judgment, without any factual evidence whatsoever, reveals him to be without conscience and devoid of common sense, as well as a puppet for Israel’s Mossad.

Unfortunately, the American people are effectively leaderless once again. Trump has been relegated to nothing more than a puny pitchman for the Greater Israel project, and his prominently positioned son-in-law is nothing more than a messenger boy relaying the orders from Tel Aviv.

### **The Jews in America**

Even though the Jews in America are only 2.2% of the population, they have controlled the U.S. government for decades. Their iron grip on America became even stronger when they orchestrated the assassination of John F. Kennedy, who refused to let them run his administration. To make sure that no future president would **ever** resist the desires of the Jews, they had JFK’s head blown off on national TV, in front of the whole world.

That warning seems to have worked well on Donald Trump. Without hesitation, he has turned 180 degrees from virtually ALL of his promises pledged to the American people during his campaign, and, instead, has sold all of us down the river – to the Jews!

### **We're Going to War!**

Rather than make peace with Russia, North Korea, Syria and Iran, as he promised to do while running his campaign, Trump has chosen to go to war with them - - - to please the Jews!

And the next war will be Nuclear!

And the next war will be the Last War!
