

London “Terrorist” Incident Was Just Another False Flag!! Here’s Why!

The recent incident in London was clearly a False Flag. No one was injured and no one was killed. Motor vehicle vs pedestrian accidents happen in every major city almost every day, both in the U.S. and in the U.K. So why is this recent London incident classified as a “TERRORIST” act? Does anyone have a video (from an ever-present surveillance camera, cameras that are everywhere in London) showing the car actually hitting the people? If you do, please direct me to it.

Click on these links below, and you will see more than enough evidence to prove this incident was nothing more than another staged False Flag attack – and not even a very good one:

1. This False Flag incident was staged to distract from the wiretap scandal:
See this link: <http://stateofthenation2012.com/?p=69499>
2. The clock on Big Ben reads 3:22 – an occult number of the secret Skull and Bones Society. See this link:

And see below for explanation of the number 322 The CNN video was 3:22 in length. The black and white of freemasonry is seen.

3. The significance of the number 39

4. The “body” under the bus is clearly a mannequin:

5. Khalid Masood – Mossad, Significance of the number 117: Freemasonry compass and square on Helicopter ambulance:

6. No blood on the ground from any of the victims, and NO blood on the knife supposedly used to kill policeman:

7. Again, NO blood, and people are walking around in a supposed crime scene. <https://www.youtube.com/watch?v=P676ugEW5AM>
8. Crisis actors running away from the supposed “terrorist” attack are laughing. Also, look at the significance of “Westminster.”

The mainstream news said a “junior doctor” (a resident in training) confirmed that one of the pedestrians was dead. But “junior doctors” are NEVER allowed to talk to the press!

The scene was obviously staged, as it was in the Boston Bombing. Hollywood “make-up” artists are expert at making actors who are “victims” of terror look real in the movies. The same methods are used for False Flag attacks perpetrated by governments, including the U.S. and U.K. governments.

Or do you think your government would not lie to you? If so, you better think again. The sorry truth is that your government LIES to you all the time, and it is now LEGAL for them to do so.

The National Defense Authorization Act (NDAA) of 2013 repealed the Smith-Mundt Act, and act that prohibited the U.S. Government to use propaganda against the American people. But now that the Smith-Mundt Act has been repealed, it is LEGAL for the U.S. government to LIE to U.S. citizens. **And LIE they DO!**

And why would a man in London pull a knife on a police officer? That’s a very personal type of killing. A police officer could easily disable the attacker with a taser, or kill the attacker with a gun! Have you ever heard of a citizen attacking a police officer with a knife, either in the U.S. or the U.K.? There was NO BLOOD on the knife!

Once you know how the Illuminati Globalists work, it’s easy to figure out that this is just another false flag, and no one was injured or killed.

Here’s why:

- A) **This supposed “terrorist” attack happened on March 22, 2017 = 3/22/17 = 322.** The number 322 is an occult number, the number of the Skull and Bones Society, and Illuminati Secret Society at Yale University, of which both Sr. and Jr. Bush (former presidents) and John Kerry (real name Kohn), recent Secretary of State under Obama, are all members. Skull and Bones is a filthy, degenerate secret society where the initiation rites involve anal and oral sex. Read the quote below:

“The **revelations of Kay Griggs** provide insight into how hazing operates inside the Illuminati. Kay was married to a US marine colonel who was an Illuminati insider. He was a trained assassin and worked in mind control among other things. He liaised with public names such as Donald Rumsfeld, George H. Bush, Dick Cheney and Henry Kissinger.

"He called the people he was involved with 'members of The Firm or The Brotherhood.'

"He mentioned how many ... are members of the "Cap and Gown" Princeton group or the "Skull and Bones" Yale crowd and how they performed sexually perverted induction ceremonies with anal and oral sex performed inside coffins." <https://www.henrymakow.com/hazing.html>

During this recent (3/22/17) incident in London, even Parliament was closed down by the police, with everyone trapped inside. PM Theresa May was secretly "taken to safety." This, of course, made the "terror" incident seem even bigger and more important.

The Skull and Bones Society was founded in 1876. $1 + 8 + 7 + 6 = 22$
 $3 \times 22 = 66$ (also an occult number – like 666 – the number of the Mark of the Beast). It's members have been prominent leaders in the Illuminati Globalists plan for control of the world. They include:

U.S. President William Howard Taft

William Averill Harriman: Governor of New York and Presidential Candidate

Prescott Bush: Senator from Connecticut and father of President George H.W. Bush, and grandfather of President George W. Bush

Robert Lovett: President Harry Truman's Secretary of War

Henry Luce: Founder and publisher of Time Magazine

Potter Stewart: Associate Justice of the Supreme Court

McGeorge Bundy: One of President John F. Kennedy's "Wise Men" Advisors

George Herbert Walker Bush: Ambassador to Red China, Director of the CIA, President of the U.S.

William F. Buckley: Founder and Editor of National Review Magazine

John Kerry (real name, Kohn (Jewish), Senator from Massachusetts, and Secretary of State under Barack Obama

George W. Bush: President

What you should understand from this list is that it is NOT true that “anyone” can become President of the United States. The United States is ruled from behind the scenes by the Jews who control ALL of those listed above through these Jewish-controlled Secret Societies.

So the DATE of the incident is an “Illuminati Satanic number” – and a “perfect” day for a False Flag attack.

B) Theresa May, PM of the UK triggering Brexit on 3/29/17

Theresa May, Prime Minister of the UK, is triggering Brexit on 3/29 by setting into motion Article 50 of the Lisbon Treaty.

What is Brexit?

An abbreviated term for Britain’s exit from the European Union.

What is Article 50 of the Lisbon Treaty?

The Lisbon Treaty came into force on December 1, 2009 as the culmination of the EU’s eight-year quest to make the organization “more democratic, more transparent and more efficient”.

It set out a number of rules and posts including the introduction of the EU Presidency, redistribution of voting weights of member states and Article 50. Article 50 sets out the process of leaving the EU and states: “Any Member State may decide to withdraw from the Union in accordance with its own constitutional requirements.”

It then goes on to say that a state wishing to withdraw will let the European Council know it intends to leave, which will “trigger” the article. At this point the Treaties that bound Britain to EU rules cease to apply and the terms of leaving will begin to be negotiated.

It will take approximately 2 years for the negotiations, culminating in Britain’s complete exit from the European Union on 3/29/19. See: <https://www.thesun.co.uk/news/1900423/eu-article-50-brex-it-lisbon-treaty-march-29/>

The Globalists (Illuminati Jews) desperately want to stop Brexit in any way possible. This recent False Flag in London (on 3/22/17) could be the beginning of other False Flags that could trigger martial law in the UK, or even the assassination of PM Theresa May, in order to STOP Britain from leaving the European Union.

In France’s upcoming Presidential election, Marine LePen is the leading candidate, and she is markedly in favor of France also exiting from the European Union, as are several other countries.

The European Union appears to be falling apart, and the Jewish Illuminati Globalists are in a panic. They have worked for years towards a Global Government where the Jewish Bankers and Financiers will rule the world, murder all the Gentiles, and eventually own all the natural resources of every country on the earth!

THAT is the goal set out by the Jews in their Protocols of the Elders of Zion, way back in 1798.

They are very close to accomplishing their goal, and they will do anything necessary – including assassination and murder – to stay on track!

The European Union is the first “kingdom” of the Ten Kingdoms of the world planned by the Illuminati Globalists in their process of taking over – and ruling – the entire world. Bush, Rockefeller, and many other Illuminati Globalists have called for a “One World Government.” These Ten Kingdoms are also spoken of in the Bible, in Revelation

The second “Kingdom” of the One World Government will be the North American Union, combining Mexico, the U.S. and Canada. That is why both Clinton and Obama have opened wide the borders between Mexico and the U.S.

So, a second reason for the supposed “terrorist” incident is part of a plan to STOP Brexit from being triggered on 3/29/17.

3) **A Diversion Tactic** away from the truth that Trump actually WAS under surveillance by the CIA and FBI.

Mainstream media in the U.S. are finally admitting that the CIA performed surveillance on Trump. This news broke on 3/22/17. But many mainstream television news programs were INTERRUPTED by this supposed “Terror” incident in London, right at the time that Congressman Nunes, head of the Intelligence committee in the House of Representatives, was revealing this information on national TV. There are videos of Nunes being blacked out – and the TV station diverting to the “news” of the “Terror” incident in London.

Even though the UK government admitted they didn’t know whether this was actually a “terror” incident, the word “terrorist” was repeated over and over again by the reporters, and the word “Terrorist” was constantly seen at the bottom of the screen during all the reporting.

If the news media keep telling you it’s a “terror” attack, 99% of Americans will become brainwashed into believing what they are told. That’s why corporations are willing to spend millions of dollars on TV commercials - - - because they work! They have proven that if you tell the population something enough times - - they will believe whatever they are told!

So, the Third reason for a supposed “Terrorist” incident in the UK was to DIVERT the attention of the public, both in the U.S. and the U.K. from the REAL news that Trump HAD been under surveillance by the CIA and the FBI – and had NO collusion with Russia. Also, that Russia was NOT the perpetrators of the surveillance, and Russia was NOT trying to influence the U.S. election.

Conclusion:

Once you understand how the Illuminati Jewish Globalists behave, and what their goals are, it is easy to discern their False Flag Hoaxes.
