"I'm going to bring down the United States by funding Black Hate groups. We'll put them into a mental trap and make them blame white people. The Black community is the easiest to manipulate."

So, if you're white you're a racist,
unless you are a liberal.
If you're black, you're black unless
you support Trump.
If you're looting & rioting, you're a
patriot & immune from Covid19.
If you attend a Trump rally, you are
a white supremacist, who wants
to spread disease.

Imagine a Christian Professor teaching "Abolish the Jewish race", he would be fired, maybe jailed, and all the mainstream media will talk about him for six months

" Whiteness is a form of racial oppression. Treason to whiteness is loyalty to humanity. The goal of **abolishing** the White race is on its face so **desirable** that some may find it hard to believe that it could incur any opposition **other than** from committed White supremacists. The task is to **bring** this minority **together** in such a way that it **makes** it **impossible** for the legacy of whiteness to **continue** to **reproduce** itself. " ~ PROF. NOEL IGNATIEV

Jewish activists promote hatred against whites, indoctrinate non whites to blame whites instead of Jews for all miseries, incite for crimes, violence and discrimination against whites, indoctrinate whites that they are guilty, racist, supremacists, oppressors, evil, and therefore should welcome all the poor people of the world in their white-majority countries and become a minority

“Today Americans would be outraged if U.N. troops entered Los Angeles to restore order; tomorrow they will be grateful. This is especially true if they were told there was an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead with world leaders to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government.”

You see, **the useful idiots**, the leftists who are idealistically believing in the beauty of Soviet socialist or Communist or whatever system, when they get disillusioned they become the worst enemies. That's why my KGB instructors specifically made a point, never bother with leftists. Forget about these **political prostitutes**....

Your leftists in the United States - all these professors and all these beautiful civil rights defenders - they are instrumental in the process of the subversion, only to destabilize a nation.

When their job is completed, they are not needed anymore.

They know too much. Some of them...when they see that Marxist Leninist has come to power obviously they get offended. They think that they will come to power.

That will never happen of course.

1. The creation of racism offences.
2. Continual change to create confusion
3. The teaching of sex and homosexuality to children
4. The undermining of schools' and teachers' authority
5. Huge immigration to destroy identity.
6. The promotion of excessive drinking
7. Emptying of churches
8. An unreliable legal system with bias against victims of crime
9. Dependency on the state or state benefits
10. Control and dumbing down of media
11. Encouraging the breakdown of the family

Phase 3: New World Order

Imagine a world free of hatred and bigotry. Imagine a world where you'll never have to be called the n-word again. Imagine a world where you can be as gay as you want, and not be called a raging, dick-sucking "fa**ot." Where ANTIFA ideas reign supreme and all hateful, microaggressive speech is eradicated.

One way to accomplish this will be to tag (or microchip) every human being on the planet, and they will do so voluntarily. Use the guise of entertainment and other benefits to lure the people to this end. This chip, embedded in the hand or neck, will allow ANTIFA-approved regulators to monitor the citizenry of the world. Information accessible (by waving a wand a few feet away from the chip) would be: DNA content (including % of color, genetic disadvantages, etc), political leanings (scored by past social media posts), earnings, known associates, ANTIFA status, etc. We must ensure that only ANTIFA-approved regulators can access this data, lest we veer too far into fascism ourselves.

Thus, with the wave of a wand, one would be able to tell whether

If I had the power to do so, I would have gallows built in rows—at the White House in Washington DC, for example—as many as traffic allows. Then white people will be hanged indiscriminately, and they will remain hanging until they stink; they will hang there as long as the principles of hygiene permit. As soon as they have been untied, the next batch will be strung up, and so on down the line, until the last white person in our nations capital has been exterminated. Other cities will follow suit, precisely in this fashion, until all of America has been completely cleansed of whiteness.

"The war wasn't only about abolishing fascism, but to conquer sales markets. We could have, if we had intended so, prevented this war from breaking out without doing one shot, but we didn't want to." -- Winston Churchill to Truman (Fultun, USA March 1946)

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

We're going to fix things
this time! We promise!

No sooner did the covidhoax run out of steam, they launched another psyop, almost as outrageous. They are trying to foment a race war.

Connect the dots folks:

- *People riot and loot with impunity.**
- *National guard and police "take the knee" in solidarity with protesters.**
- *Porn star and crackhead Floyd George is being beautified.**
- *The media, having terrorized us with the common cold, has now unleashed a viral campaign to guilt whites into thinking they are terrible racists and must yield position to Blacks.**
- *More affirmative action programs for Blacks.**
- *Corporate director fired for saying Canada is "not systemically racist."**
- *CEOs are expressing sympathy with looters.**
- *Criminals are being let out of jail.**
- *Minneapolis City Council talking about replacing the police force with something more community responsive, i.e. unresponsive to minority crime.**
- *Racist Black attacks on whites go unreported.**
- *Reports Antifa plans to attack whites in suburbs or rural areas.**

This is all about white dispossession and civil war. And who wants that? Who regards the white race with its vestiges of Christian civility as the greatest obstacle to its

satanic world domination? This repost may answer that question.

- 1. The goal of Judaism is to destroy, dispossess and enslave non-Jews.**
- 2. There is nothing religious, moral or spiritual about Judaism. The Jewish 'Covenant with God' consists of an exchange of MATERIAL POWER for *meaningless observance*.**
- 3. Judaism is typical of a satanic cult in that it coerces observance and murders genuine men of God (apostates.) Communism, a proxy for the political goals of Judaism, OPERATES THE SAME WAY. The US and Europe are now the major vehicles of this agenda. (See Note below article)**
- 4. Most Jews are ignorant or in denial about the true nature of Judaism and the jeopardy in which it places them.**
