

# Exposing the Liars!

*The goyim have been brainwashed to believe that Jews are innocent victims of gentile persecution and bigotry.*

They are not told that Jews are the *victim of other Jews* -- the Sabbatean (Illuminati) Jews or Cabalists who use them as pawns, human shields and satanic sacrifices.

"Anti Semitism is indispensable to us for the management of our lesser brethren," say the *Protocols of the Elders of Zion* (9-2) a "forgery" that reads like the blueprint of the New World Order unfolding today.

Zionists and Communist Jews are Sabbatean Jews or satanists. They hate Torah Jews and have conspired against them for more than 300 years. I am tired of hearing that some Jews are wonderful human beings. *These are not the Sabbateans.*

One of the benefits of being 65 is that I'm eligible for the COVID-19 vaccine. I got my first dose this week, and I feel great. Thank you to all of the scientists, trial participants, regulators, and frontline healthcare workers who got us to this point.

The hair of the imposter is completely gray. Whereas Bill Gates has salt and pepper gray hair.

The right ear of the imposter is quite different from the right ear of Bill Gates. One could argue it is due to the mask that is pulling on the ear. But that explanation does not explain the striking difference between the distinctive neck of Bill Gates and the imposter.

**No Visible Adam's Apple**

The imposter has tight skin around his neck that shows a distinct Adam's apple. Bill Gates has significant excess skin around his neck where no Adam's apple is visible.

Your Vax pass comes pre-programmed for 8 shots! 4 years worth of poison to ensure you're dead or enslaved.

Looks like the Covid Passports were programmed to include up to 8 vaccine doses.

The 14-year old on the article is my brother. He died from stage 4 brain cancer, not from covid. This is fake news. He was diagnosed in January 2021, and hospitalized in August. Two days before his death he was tested for covid and it turned out positive... please share and comment that this is fake.
