

“HERD Immunity” is an OUTRIGHT LIE!

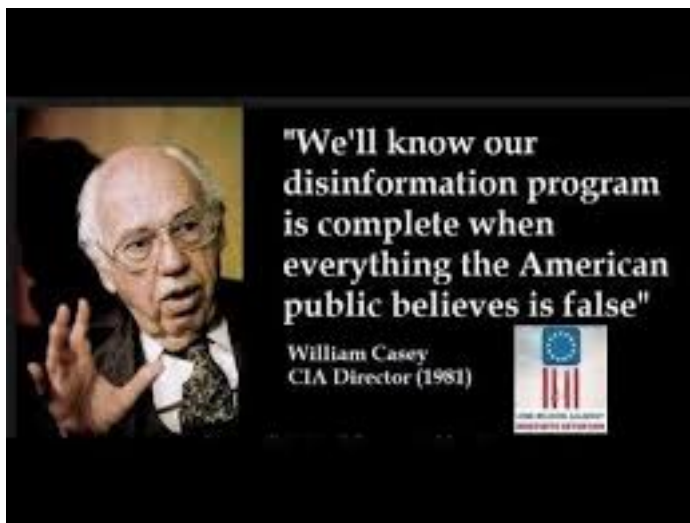

It is a Totally FAKE Concept!

**It was made up – out of Thin Air – by the LIARS
at the CDC and NIH, as an excuse for them to
KILL YOUR CHILDREN!**

Lorraine Day, M.D.

The concept of “Herd Immunity” has NO validity whatsoever. It is Nonsense! It is Bogus! It is a Complete Deception!

Read the Quote below by William Casey, former Director of the CIA – and take it to heart, because it is TRUE!

The totally FALSE Concept of “Herd Immunity” was imagined into existence by the CDC, to shame parents into vaccinating their children by implying it was their civic duty – to protect the rest of the population.

The CDC is nothing more than a Vaccine Promotion Company! They KILL People!

Here is how they try to sell the Lie of the need for “Herd Immunity”: It is extremely important that at least 90-95% of the entire herd (your school, your church, or some other part of your community) get vaccinated, they say, in order to protect the other 5-10%, who may be too sick or disabled to be vaccinated - - so you (or your child) will not get the disease and infect the person who is unable to be vaccinated. The implication being that if you DON'T vaccinate your child, you are a selfish, self-centered schmuck who cares nothing about the rest of society!

But sometimes they turn it around and say: If you don't get your child vaccinated, your child will put my vaccinated child at risk. (That's a sure sign that vaccines DON'T WORK!)

The problems with this LIE are almost too numerous to cover, but here are just a few:

- 1) Vaccinations DON'T Work. They have NEVER WORKED! The antibodies that vaccinations produce – do NOT protect you from the disease. THAT is why you need to keep getting Booster after Booster. And THAT is why people who have been vaccinated – can STILL Get the Disease!!
- 2) Vaccinations often GIVE YOU the disease that the vaccination is supposed to prevent. When your body is injected with a disease, it should NOT be a surprise to you when you develop THAT disease!
- 3) When you get vaccinated, you frequently “shed” the virus in your waste material (feces or urine) that can infect others, particularly those close to you, such as members of your family.
- 4) If vaccinations actually worked, then the vaccinated person **would be at no risk** from an unvaccinated person.
- 5) Even if vaccinations worked (which they don't), 95% of all the diseases for which there are vaccines, are mild, self-limiting diseases – mainly childhood diseases like measles, chicken pox, rubella, etc. The child may be mildly sick for a few days, and then the child gets well: that's why they are called “self-limiting.”
- 6) If a child gets the “wild-type” of the disease (the naturally occurring measles or chicken pox, or other disease) the child has life-long immunity for that disease.
- 7) If vaccinations worked, a person wouldn't have to get booster after booster after booster.
- 8) Some of the substances in vaccinations are so toxic that, in real life, they have to be treated as hazardous waste (Examples: mercury and aluminum). And yet, the doctors want to inject them directly into your body or your child's body.

- 9) Before vaccinations, there was NO autism, NO Sudden Infant Death Syndrome (SIDS), and very few children with Learning Disabilities.
- 10) Before vaccinations, there were virtually NO children with cancer, or young adults with cancer, and even almost no middle-aged people with cancer. Now there are whole hospitals filled with children with cancer. And the incidence of cancer in the population has sky-rocketed!
- 11) There is a REASON that Drug companies have demanded immunity from prosecution for the horrific side effects of vaccinations – including SEVERE DISABILITY and DEATH. And the REASON is that Vaccinations CAUSE SEVERE DISABILITY and DEATH – and the Drug companies don't want to take the Risk. So, you the taxpayer, pay the damages (through the government vaccination courts) for your own children to be maimed and killed by the vaccines made by the Drug Companies!
- 12) Vaccinations were NOT responsible for the decrease in childhood diseases – NOT EVEN the decrease in Polio. That is a LIE! Child labor laws, housing laws, and sanitation laws were responsible for the 95% DECREASE in childhood diseases BEFORE the introduction of vaccines.
- 13) When the Polio vaccine was introduced in the 1950's, there were, subsequently, MANY cases of Polio CAUSED by the Polio vaccine. But the Drug companies and the doctors did NOT want the people to know that, so if a Polio-vaccinated person developed Polio FROM the vaccination – it was NOT called Polio. It was called **Aseptic Meningitis**, so the patient and their family would NOT KNOW they had gotten Polio FROM the vaccine.
- 14) More recently, there have been a number of outbreaks of Polio in children who have been vaccinated against Polio. But again, the Drug companies and the doctors don't want anyone to know that the person was infected with Polio BY the vaccination. So, the doctors are not allowed to call it Polio.
- Instead, they call it AFM = Acute Flaccid Myelitis. But THAT'S JUST ANOTHER NAME FOR POLIO! They call it a "Polio-like illness." NO!!!! It's NOT "Polio-like." IT'S POLIO!**
- 15) One of the reasons the drug companies are making more and more vaccines is that they are not making new antibiotics anymore. If they made stronger antibiotics, it would likely kill the person very rapidly. So the drug companies are now making more and more vaccines of different types – because they MAKE MONEY!

- 16)The New World Order/One World Government/Illuminati want to EXTERMINATE at least SIX BILLION people from the earth by the year 2030. One of the easiest ways for them to do that is by Mandatory VACCINATIONS! They DESTROY the immune system of the child or adult so they are more prone to developing other diseases. Also, the vaccinations can KILL a person outright!
- 17)God has given every human being an immune system to fight disease. God does NOT need the help of Bill Gates and his POISONOUS VACCINES! In addition, Bill Gates has NO medical credentials whatsoever. His main job is to be the Population Extermination Agent who takes his orders from the Rothschilds!
- 18)We must learn how to live, think, act, eat, and handle stress properly, the way God wants us to, and then He PROMISES to “keep us FREE from EVERY DISEASE.” Deuteronomy 7:11-15
- 19)God calls ALL Drug medications – SORCERIES AND WITCHCRAFT – according to Revelation 18:23. Vaccinations are included in the Category of “Drug medications.” Therefore, according to God, Vaccinations are SORCERIES. They are from Satan!
