

How the Jews LIE!

This HYPOCRITE is dissing the white Gentiles as some kind of savages, when He and HIS Tribe are the biggest THIEFS and MURDERERS on the Planet!

Jonathan Leibowitz is a self-righteous JEW. He and his evil cabal have taken the land of the WHOLE WORLD and are hoping to KILL EVERY GENTILE in the world, and they didn't even "invite them for a feast."

And he changed his name so no one would know he is a willing member of the KILLING group. Jon Stewart was born **Jonathan Stuart Leibowitz** on November 28, 1962, in New York City. (He later legally changed his last name to Stewart.) Wikipedia
