Another mind blowing discovery ...

It turns out that Boris Johnson's dad, Stanley, wrote a novel in 1982 called 'The Virus' about the government releasing a deadly Virus into the population as cover for population control through a forced vaccine.

No. I'm not kidding.

FOR PEARL HARBOR

You know what. At first I looked at this and said "WHAT!?!?" But this is a great point. IT'S RIDICULOUS to blame this child for pearl harbor just like its RIDICULOUS to blame ANYONE alive today for slavery, stolen land from the 1800s, or any other crime from hundreds of years ago.

« In the future it will be a question of finding a way to reduce the population. We will start with the old ... then the weak and then the useless ... and especially the stupid ones.

We will get rid of them by making them believe it is for their own good. We will find something or cause it, a pandemic that targets certain people ... a virus that will affect the old or the fat, it doesn't matter; the weak will succumb to it, the fearful and the stupid will believe it and ask to be treated.

We will have taken care to have planned the treatment, a treatment that will be the solution. The selection of idiots will thus be done ... they will go to the slaughterhouse on their own. »

“ELIMINATE THE SOUL WITH MEDICINE”

theorganizeearth More than a hundred years ago, Rudolf Steiner wrote the following:

"In the future, we will eliminate the soul with medicine. Under the pretext of a 'healthy point of view', there will be a vaccine by which the human body will be treated as soon as possible directly at birth, so that the human being cannot develop the thought of the existence of soul and Spirit.

To materialistic doctors, will be entrusted the task of removing the soul of humanity. As today, people are vaccinated against this disease or that disease, so in the future, children will be vaccinated with a substance that can be produced precisely in such a way that people, thanks to this vaccination, will be immune to being subjected to the "madness" of spiritual life.

He would be extremely smart, but he would not develop a conscience, and that is the true goal of some materialistic circles.

With such a vaccine, you can easily make the etheric body loose in the physical body.

Once the etheric body is detached, the relationship between the universe and the etheric body would become extremely unstable, and man would become an automaton, for the physical body of man must be polished on this Earth by spiritual will.

So, the vaccine becomes a kind of arymanique force; man can no longer get rid of a given materialistic feeling. He becomes materialistic of constitution and can no longer rise to the spiritual."

-Rudolf Steiner (1861-1925)

I made it clear that through my lawyer I would begin to demand the status of all other employee's health condition in regards to other forms of communicable diseases. We would be demanding information on employee's with aids, hepatitis, flu, STDs, measles, mumps, and so on. My lawyer already had the papers drawn up so I could serve him the first day he tried it and part of the suit would be to force the company to make immediate policies to section off employees who had any illness they could spread, including the common cold. If they were going to take responsibility in stopping the spread of covid-19 in the building they were now liable for the spread of anything else.

Within 24 hours we were all informed that they would no longer demand to see our papers.

MEET RUDOLF DIESEL

INVENTOR OF THE DIESEL ENGINE

HE ONCE SAID THIS:

“The diesel engine can be fed with vegetable oils and would help considerably in the development of agriculture of the countries which use it.”

AND THIS:

“The use of vegetable oils for engine fuels may seem insignificant today. But such oils may become in course of time as important as petroleum and the coal tar products of the present time.”

Mr. Diesel was found dead floating in the ocean, in 1913.

His death was ruled a suicide.
