

Jews say Gentiles exist ONLY to serve the Jews, otherwise Gentiles has NO PLACE in the World!

Jews are the BIGGEST BIGOTS in the World!

"Gentiles exist only to serve Jews as slaves. Goyim were only born to serve us. Without that they have no place in the world. Only to serve the people of Israel. Why are gentiles needed? They are only here to work. They will work, they will plow. They will reap. We will sit like effendi and eat. That is why gentiles were created," -- Rabbi Yosef, Sha Party, Jerusalem Post, 2011

You are being conditioned to think that people who stand up for their freedoms are selfish, extreme, irresponsible, hateful, irrational, and lawless.

The Bible tells us that God knows all our thoughts . . . that He rules over the sunlight . . . That He makes the food we eat.

Who does God think he is? Bill Gates?

The government has shutdown your ability to earn a living. But every government employee and every politician is still getting paid. And you are the one paying for that.

The Jews are one of the principle forces attempting to lead the U.S. into the war. The Jews greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our Government. I am saying that the LEADERS of the Jewish race wish to involve us in the war for reasons that are NOT AMERICAN.

The image features a quote by Tami Hishke overlaid on a background of an ancient Egyptian papyrus scroll. The scroll is decorated with hieroglyphs and has a yellowish-brown, aged appearance. The quote is written in a black, serif font. On the left side of the scroll, there is a vertical watermark that reads "@BEWARETHENEEDLE".

"I love when science can tell us how a mummy died 10,000 years ago, but when thousands of babies die in their sleep 48 hours after vaccines, it's a sudden unexplainable death."

BREAKING. Saying "masks are not enough," Dr. Fauci is urging citizens to wear airtight plastic bags. "It's science," he said. "If you can't breathe, you can't spread the virus." Enthusiastic over the move, the Bill & Melinda Gates Foundation will fund mass production of the bags.
