The term "conspiracy theorist" was made popular by the CIA to stop critical thinkers from asking questions about the JFK assassination. In a memo called "Countering Criticism of the Warren Report," the CIA set out to make the term "conspiracy theorist" a weapon to be used against anyone who questioned the government's secret activities and programs.

i like how over the weekend it was basically confirmed the CIA killed JFK but it was so unsurprising and common sense that we just kinda went “yeah” and moved on

A woman with short brown hair, wearing a dark suit jacket over a light blue collared shirt, is seated in front of the official seal of the Federal Bureau of Investigation. The seal is circular with a blue background, featuring a central shield with red and white stripes and green laurel branches. The words "FEDERAL BUREAU OF INVESTIGATION" are written around the perimeter of the seal. The woman has a serious expression and is looking slightly downwards.

Quote: Israeli Prime Minister Netanyahu, 1990:

Take a look at this statement from Israeli prime minister Benjamin Netanyahu, recorded during a 1990 meeting between him and an Israeli spy assigned to steal America's secrets, and finish setting the groundwork for the destruction of America.

I suggest you carefully read what Netanyahu said here, and ask yourself, DID THIS HAPPEN TO AMERICA? Obviously the answer is yes.

Then I would like you to think about what Netanyahu said here, and ask yourself - Did all of this happen as coincidence, or did the Jewish community successfully plot and implement the destruction of America?

"If we get caught they will just replace us with persons of the same cloth. So it does not matter what you do, America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world's biggest welfare state that we will create and control. Why? Because it is the will of God and America is big enough to take the hit so we can do it again and again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves."

His quotes about Jews ✧

www.wikiquote.org/wiki/Bobby_Fischer

✧ "They are subhuman. They are the scum of the Earth. When you talk about Jews, you're scraping the bottom of the barrel of humanity."

✧ "They're lying bastards. Jews were always lying bastards throughout their history. They're a filthy, dirty, disgusting, vile, criminal people."

✧ "My main interest right now is to expose the Jews. This is a lot bigger than me. They're not just persecuting me. This is not just my struggle, I'm not just doing this for myself... This is life and death for the world. These God-damn Jews have to be stopped. They're a menace to the whole world."

✧ "Jews hate nature and the natural order, because it's pure and beautiful, and also because it's bigger and stronger than they are, and they feel that they can not fully control it. Nature's beauty and harmony stands in stark contrast to their squalidness and ugliness, and that makes them hate it all the more. Jews are destroyers. They are anti-humans."

I hardly exaggerate. Jewish life consists of two elements: Extracting money and protesting.

When white school girls are blown to pieces by a migrant terrorist we are all expected to join hands and sing "Don't Look Back in Anger."

When it is the case of a 97-year-old woman who worked as a conscripted typist as a teenager the best part of a century ago, she is "the secretary of evil", she should be hunted down and we should never forgive and never forget.

The media deal in vicious anti-white double standards.

Actress Hedy Lamarr was once dubbed 'the most beautiful woman in the world.' She was also a mathematician and inventor of frequency hopping spread spectrum, a technology used for Bluetooth and Wifi. Her idea was brushed off, others took credit for it, and she spent her life wishing people would notice her brains instead of just her beauty.

@TRUNews I'm trying to be patient with you, waiting for someone in the church to protest the genocide that's happening. When will Christians become intellectually honest and speak the truth? Did He not state, if one follow me, pick up your cross and follow? You have picked up no cross without truth. And, you will be Judged for that sin of omission.
