

Why have there been so MANY Scamdemics over the last 20 years?

Lorraine Day, M.D.

Every two to four years, during the last 20 years, the U.S. government and the CDC have bellowed forth with “alarming” information about yet another “deadly” epidemic. Almost always, their answer has been for everyone to get yet another vaccination. Of course, none of these epidemics ever panned out, and the vaccinations maimed and killed numerous Americans, feeding into the Jewish Illuminati Communist Globalist’s plan for Population Extermination of the goyim (Gentiles).

But why have there been so many FAKE pandemics? What is the hidden goal of the government (in addition to drug company profits, vaccination injuries and death, and tyranny over the people)?

2000 Ebola

2002 West Nile Virus

2003 SARS

2005 Bird Flu

2009 H1N1 AND Swine Flu

2013 MERS

2014 H5N1

2016 Zika

And now – in 2020 - the Corona Virus

Each fake pandemic gave the globalists another opportunity to detect the “weak” spots in countries around the world – specifically government, medicine, science and communications (news networks) positions that needed to be replaced with people the Illuminati could completely control.

And more importantly, the Jewish Communist Illuminati would have to have total obedience from those who would be tasked with giving the deadly vaccinations.

It took over 20 years, to get the proper people in place, people who were willing to sell their soul and their people, for money or power or (their form of) importance. Doctors, pharmacists and nurses are completely under the spell of the drug companies, willing agents for population extermination through vaccinations and drug medications. Many of them are so deluded they think they're doing the right thing.

All Communist countries already have total control of all science, medicine and communications, so they were not the problem. But many positions in many other countries that have various levels of freedom, needed to be vetted so they could lock down the whole world within a couple of weeks, as a cover for bringing in Jewish Communist Bolshevik terror and despotism to America!

And finally, it worked - - - because - - - Americans believe in their government, instead of believing in God. And because Americans believe in doctors (who are little more than drug-pushers who wear white coats and have clean fingernails), instead of believing in God's way to get well and stay well.

Americans don't understand that doctors don't know how to Cure even ONE disease! I will repeat that: Doctors don't know how to Cure even ONE disease!

I can already hear the wailing and whining, but I stand my ground. I AM a doctor, and I KNOW that doctors don't know how to Cure even ONE disease. All doctors are taught to do is 1) give out harmful drugs that only "treat" the symptoms of the disease, while the disease continues to gallop along, and ALL drugs have numerous side effects (sometimes more than 100 adverse side effects) that cause other diseases in the patient, OR 2) doctors cut out your organs or cut off your body parts.

If your doctor gives you a drug for high blood pressure, he or she will tell you that you have to take the drug for the rest of your life. Why? Because all the drug does is artificially lower your blood pressure without EVER curing you. If you stop the drug, you will still have high blood pressure. But all the time you are taking it, the adverse side effects of the drug are damaging every organ and system in your body, giving you additional diseases - - for which your doctor will give you - - - MORE DRUGS!

But NO disease has EVER been caused by a "deficiency" of drug medication, and NO disease has EVER been caused by having "too many" organs or "too many" body parts, therefore, Doctors don't know how to Cure ANY disease!

Diseases don't "fall from the sky" nor do they "just happen" nor are they genetic. We give them to ourselves slowly, one day at a time, usually over a long period of time, by the way we live, think, act, eat, and handle stress. So, there is ONLY ONE way to Reverse them, and that is to CHANGE the way we live, think, act, eat, and handle stress. Unfortunately, most people don't want to give up their dearly-held bad habits

that are causing their medical problems in the first place. So, they go to the doctor and take drug medications that will destroy their health and shorten their lifespan.

Because few Americans believe in God, and even the ones who claim they do are not diligently studying their Bible, virtually NO ONE knows that there IS a Physician who gives a 100% GUARANTEE that if you follow His ways, you will be totally well: and that is God, who Promises:

“IF – IF – IF you follow My laws (and that includes ALL of God’s natural health laws that I discuss in great detail in the materials on my website at www.drday.com) My commandments (ALL Ten of them), and My decrees, I WILL keep you FREE from EVERY disease.” Deuteronomy 7:11-15

ALL churches are full of people who are sick and dying, and going to doctors and taking Drug medications that God calls Sorceries and Witchcraft:

“The whole world will be Deceived by their Sorceries.” Revelation 18:23

The word “Sorceries” in the Greek (the language In which the New Testament was written) is the word *pharmakeia* = pharmacy = drug medications. Someone who gives out drug medications (including doctors, pharmacists and nurses) is called a *pharmakon*, which means POISONER!

You see, God says, I can show you how to be totally well and “free from EVERY disease” but YOU must Change everything about your life.

But Satan comes along, and through his agent – the doctor (or pharmacist, or nurse) – says, “You don’t have to change anything about your life. Here, just take a pill, and you can continue to live, think, act, eat, and handle stress ANY way you want!”

That’s why Doctors have become Agents of Satan (along with pharmacists and nurses). They are leading the population of America and the world to their Death! But the people are just as complicit in the crime because they are more than happy to take the drugs - - and the vaccinations (that are not only useless because they do NOT prevent disease but they also contain deadly ingredients that maim and kill both children and adults).

The Mark of the Beast is NOT a chip, or a barcode, or even a tattoo from a vaccination. The word “Mark” in the Bible, is the Greek word *charagma* – which means “character.” You have taken the “Mark” of the Beast when you have developed the “character” of the beast power: Secular humanism – when you believe in “man” (doctors, pastors, family and friends) rather than believing in God.

The First Commandment says:

“Thou shalt have NO OTHER gods before Me.” Exodus 20:3

When we put ANY human being above God, we have already taken the “Mark of the Beast” – a condition that has occurred in virtually ALL the 2.2 Billion “Christians” in the world. They ALL go to doctors – and almost ALL of them believe in their Pastor and their Church MORE than they believe in studying God’s Word for themselves!
