## **America is NOT a Free Country!**

**America Has Been Taken Captive by an Alien Nation –  
yet Americans THINK They're Free!**

**Lorraine Day, M.D.**

In the Old Testament, whenever Israel rejected God and went their own way, God sent them into captivity. They were overtaken by another nation – a pagan nation – and became slaves. Yet the Israelites of old - just as today's Christians – were suffering from grand delusions that they were actually free – and had never been enslaved.

When Jesus was on earth, the Israelites were actually slaves of the Romans – slaves to an alien nation, in their own land - and they even paid tribute to that Roman nation. But the arrogant Israelites, the members of the “organized church” of that day, refused to deal with that reality. They rejected any suggestion that they were enslaved. Jesus said to the Israelites:

“If ye abide in my word, then are ye my disciples indeed:

And ye shall know the truth and the truth shall make you free.

“And they answered Him, We are Abraham's seed, and were NEVER enslaved to any man; Why do you say, “Ye shall be made free?” John 8:31-33

Of course, Jesus was talking about being freed from sin, but the Israelites misunderstood him. They were outraged that Jesus would even suggest that they were slaves, or ever had been slaves (as they were in Egypt for 400 years), even though it was obvious at that very time that they were slaves to the Romans. Furthermore, the history of the Israelites documents numerous episodes of enslavement of the Israelites – to the Assyrians, to the Babylonians – and to many other pagan nations.

“There are none so blind as those who will not see.” Matthew Henry (1662-1714)

The same is true of Christians today who proudly wave the flag of the United States of America, professing that we are a free country, while their “blindness” restrains them from seeing that they are nothing more than slaves in an open-air concentration camp.

Patriotic Americans, including Patriotic Christian Americans, are enthusiastic to “Take America Back!” But the question that demands an answer is, “Take America Back – to What and from Whom? To what era of the past do Americans want to return? Certainly, 70 years ago Americans didn’t have to lock their doors or lock their cars and rarely was anything stolen. But the wheels of corruption, degeneracy, thievery, destruction and death of this country and our society were already set in motion.

The real problem was the “delusional Christian” – the Christian who was deluded into thinking that everything was fine at the very time that plans were being made by our government rulers for our destruction.

In times of prosperity, a society becomes soft, self-indulgent, and self-centered, having little use for God or His directives from the Bible. Everyone thinks he has the right to run his own life – thinking, “See how well I have done. I am responsible for my own success.” And there the problem begins.

Only in times of severe trouble and cruel oppression by their rulers do people understand their need for God.

The other question is, “Take Back America - from Whom?” Many of the most fervent activists for “Taking America Back” are evangelical Christians who believe that the present-day Jews are God’s “Chosen People” – yet the present-day Jews are the very ones who have stolen America, a country that started out with at least some Christian principles.

It is the Jews who have destroyed America. It is the Jewish Wall Street Bankers who are responsible for the severe housing crisis, the present economic crisis in America, the promotion of BIG stores, such as Walmart. In order to destroy small businesses, the coming total collapse of the dollar nationally and internationally, the re-location of jobs from America to China and other third-world countries (for their own financial gain).

It is the Jews who are responsible for the total collapse of morality in America including, the destruction of the family, the high rate of illegitimacy, the promotion of homosexuality, the promotion of pornography, the exponential rise of promiscuity, the phony war on terror used as a ruse to destroy all our rights, the wars all over the world that are killing American sons and daughters – and NOT for freedom. On the contrary, the wars are also a cover for the Jews to invade any country they chose - at their whim - to steal every country’s natural resources and annihilate their citizens.

The Christians of America are absolutely clueless!! They are encouraging – by their religious beliefs and their financial support – the destruction by the Jews of all the Gentiles – particularly Christians – in the world. Because THAT is the goal of International Jewry!

- When your son (or daughter) can be conscripted into the armed forces to slaughter the citizens of another country who are no threat to the U.S., with the result being severe maiming or death to your son (or daughter) – you are NOT free!
- When you are forced to pay IRS taxes that go directly into the pockets of the members of a private corporation – the Federal Reserve – who use them to destroy America – you are NOT free!
- When you are forced to pay for medical care that will only harm you – in the long run – and will NEVER cure any disease you have – you are NOT free!
- When your children are forced to take vaccinations that do NOT prevent disease, but actually CAUSE disease, mental disorders and even death to your child – you are NOT free!
- When every form of news media in the country, whether TV news, newspapers, internet news, or news magazines, is owned by one group who wants to purposely deceive the population of America – you are NOT free!
- When all of your Congressmen and Senators are forced to sign a document to support a nation that HATES the U.S. – you are NOT free!
- When you are confined to your home for a HOAX epidemic – the common cold – and you are not permitted to work to support your family – you are NOT free!
- When you are lied to about the need to wear a mask and “social distance” for a virus that causes nothing more than the common cold – you are NOT free!
- When your total government has been hi-jacked by a group of evil psychopaths composed of one ethnicity – who HATES the average American – you are NOT free!
- When those who run your government have passed a law that allows the government to KILL you for worshiping Jesus Christ, in a country that was founded on religious liberty – you are NOT free!
