

UNFORTUNATE TRUTHS!

President Kennedy,
as the enormity of the Bay of Pigs
disaster came home to him,
said to one of the highest officials
of his Administration that he
*“wanted to splinter the C.I.A.
in a thousand pieces and
scatter it to the winds.”*

Then They Killed Him

TWO-FACED TRUDY

The unvaccinated are extremists, they're often misogynists, also often racists. Do we tolerate these people?

I did not call people who were unvaccinated names.

DON'T TRUST THIS TRAITOR

Destroying America will be the culmination of my life's work.

A 17-YEAR-OLD GIRL FOUGHT OFF A RAPIST. NOW SHE'S BEING CHARGED

Denmark: A 17-year-old girl managed to escape being raped by fighting off her attacker as he ripped off her clothing. Now police say she will be charged with a crime for defending herself.

The teenager was attacked around 10p.m. by a man described as "dark-skinned" in central Sønderborg, Denmark. She told police her attacker struck her, threw her to the ground and began forcibly removing her clothes.

Using a canister of pepper spray, the 17-year-old was able to fight him off and escape the attack. Now that tool of self defense is going to leave her as the only person charged with a crime in the incident.

"It is illegal to possess and use pepper spray, so she will likely be charged for that," local police spokesman Knud Kirsten said, as cited by TV Syd.

Users of social media websites expressed their outrage over the incident. Irony being what it is, the girl only began carrying pepper spray because the local police have failed to curtail a wave of sexual attacks by asylum seekers and refugees.

Attacks in the city have grown so bad that nightclubs have been forced to ban people based on what languages they speak.
