

When Things Don't Make Sense – Look for a Sinister Agenda!

"If a vaccine works, then there is no need to force people to take it. It will protect those that want it and the only risk is to those that choose not to use it. This is not about disease – it's about control."

"I'm going to bring down the United States by funding Black Hate groups. We'll put them into a mental trap and make them blame white people. The Black community is the easiest to manipulate."

-George Soros

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

Coronavirus (disambiguation) COVID-19, SARS-CoV-2

The virus is only active during certain times of the day on beaches. It also can travel up to 6 feet, but cannot travel 6' 1" or greater. It can go through the air and on all surfaces, except anything that comes in the mail or groceries you take home. The virus doesn't go to places like Walmart, Target, Amazon, or other large corporations and grocery stores, but it is likes bars, small businesses and especially churches where it can travel up to 9 ft if you are parked in a car. The virus cannot live on food taken to-go, because it only stays inside restaurants.

All very confusing I know, but #Science.

“The homogeneity of European nations is fundamentally against the interests of the Jewish people. We are at a critical turning point in history. The West is becoming more and more racially diverse, and soon the White Race will be forced into submission. The future of the west is that of an ethnically diverse melting pot, where the evil divisions of race and white supremacy no longer reign. This is all thanks to the tremendous power of our social movements and institutions. This great change will be catalyzed by Moslem settlement. From the land of Israel, Jews will forever be a light unto the new monoracial world as guaranteed by G-d.”

Fauci: 'No doubt' Trump will face surprise infectious disease outbreak

January 11, 2017

ADD TOPIC TO EMAIL ALERTS

Anthony S. Fauci, MD, director of the National Institute of Allergy and Infectious Diseases, said there is "no doubt" **Donald J. Trump** will be confronted with a surprise infectious disease outbreak during his presidency.

Fauci has led the NIAID for more than 3 decades, advising the past five United States presidents on global health threats from the early days of the AIDS epidemic in the 1980s through to the current Zika virus outbreak.

During a forum on pandemic preparedness at Georgetown University, Fauci said the Trump administration will not only be challenged by ongoing global health threats such as influenza and HIV, but also a surprise disease outbreak.

Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United States, in the Field of commerce and manufacture, are afraid of something. They know that there is a power somewhere - so organized, so subtle, so watchful, so interlocked, so complete, so pervasive - that they better not speak above their breath when they speak in condemnation of it.
