*UPDATE (Nov. 12): Kenya's government has launched an investigation into the Catholic Church's allegations. **See follow up article [here](#).***

Kenya's Catholic bishops are charging two United Nations organizations with sterilizing millions of girls and women under cover of an anti-tetanus inoculation program sponsored by the Kenyan government.

According to a statement released Tuesday by the Kenya Catholic Doctors Association, the organization has found an antigen that causes miscarriages in a vaccine being administered to 2.3 million girls and women by the World Health Organization and UNICEF. Priests throughout Kenya reportedly are advising their congregations to refuse the vaccine.
